in the domain of greenhouse
and exterior irrigation.

Long length:
cable truck

IRRIGATION

Your irrigation systems
increase in performance

➤ Overhead watering

Drip irrigation

Sub-irrigation

Flood irrigation

Watering programming

**Monorail and double rail
irrigation truck**

- Garland pipe
- Stretched pipe
- Area cutting using pegs
- Area cutting using encoder
- Electrical exterior on monorail

Irrigation truck

Storage

- Of water
- Of fertilisers

Fertilisation station

- Direct injection
- With recovery tank for fertilisers 1 to 6

Water treatment

- Biological
- Thermal
- UV

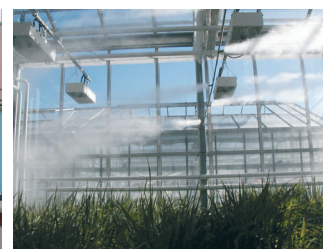

Filtering station

- Sieve
- Sand
- Automatic cleaning sieve

Integrated fertilisation management computer

- EC, pH, ETP, hygrometric, pressure meter, dielectric and water meter sensors, special timing software

Misting

- Rondo pendular
- Pole
- FLF Foggers
- Fog
